Participate in 18th Annual Family Law Institute

The Indiana Continuing Legal Forum hosted the 18th Annual Family Law Institute as a webcast, on October 23, 2020. Andy Mallor served as Institute Chair, a position he has held since its inception, and was responsible for planning, recruiting faculty, and presiding over the seminar.

Andy also served on a faculty panel, along with **Mallor Grodner** attorney, Tim Sledd, presenting “Mediation in a Zoom Environment.” Both Andy and Tim are registered family law mediators.

Mallor Grodner attorneys Kendra Gjerdingen, Lisa Anderson, and Erick Gjerdingen also attended the Institute. The Institute will continue to be available for replay by family law practitioners who were unable to participate in the live webcast.
